FOREWORD

The Argus is the only medium by which the complete record of the Tulare Union High School year can be summarized and one may relive the many activities of that year now and in the future. If we have been able to collect some of the joys, friendships, and achievements of the 1953 school year, then our work has been successful.

We have chosen Puppets as our theme, and--as the marionettes are shown on their stages---we hope that in these sometimes depressing times you will smile and see the humor of everyday experiences at Tulare High School.

We, of the staff, present this book to you with the sincerest wishes for your future.

The Editor

DEDICATION

BECAUSE she has given friendship, understanding, and encouragement to her many students, and

BECAUSE she has helped them develop latent talents by inspiring them with her wealth of knowledge, and

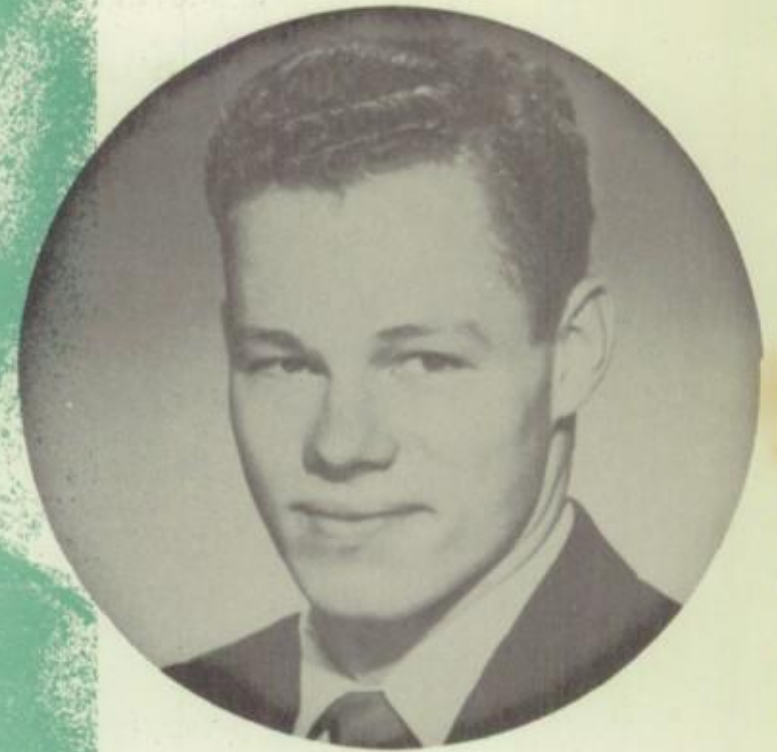

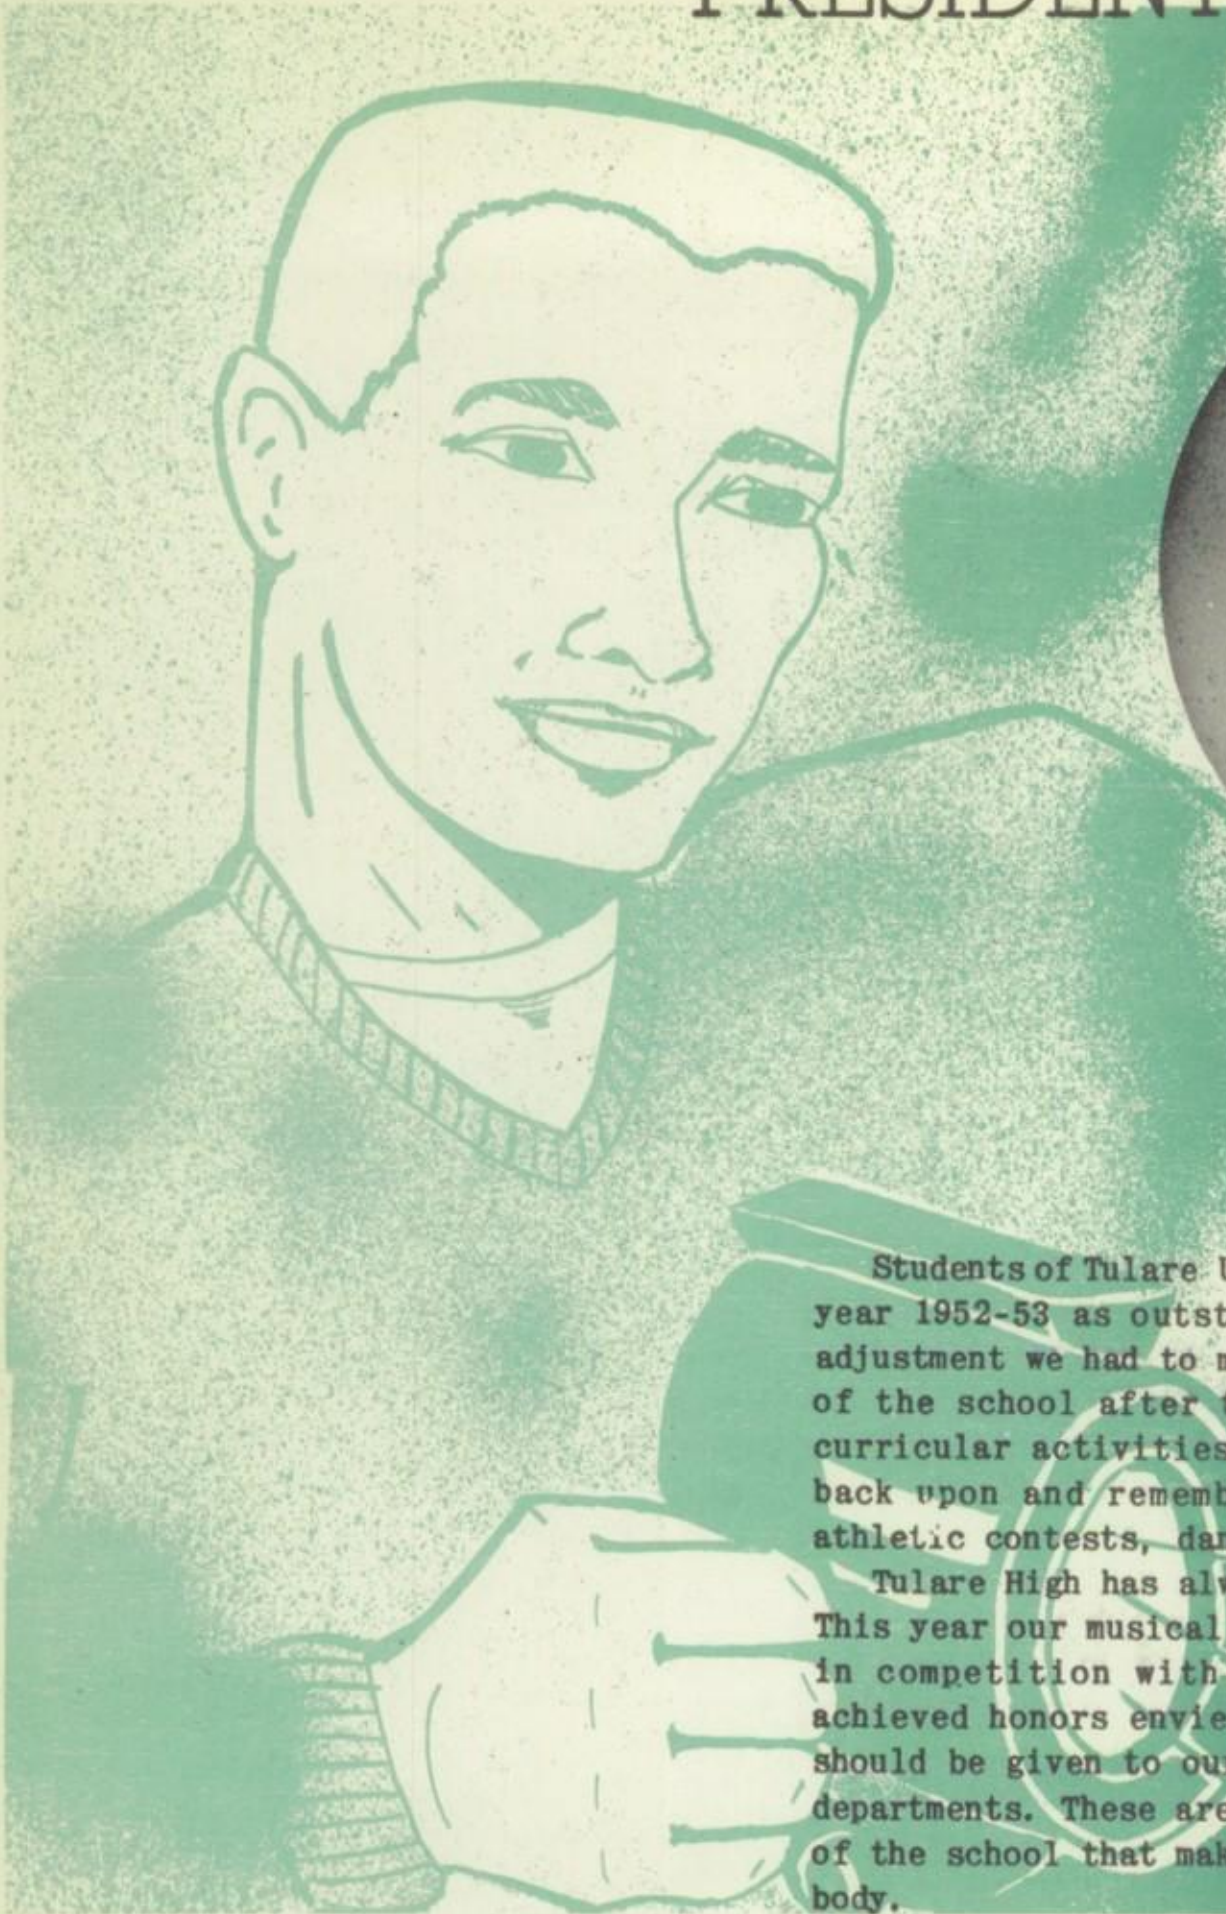

BECAUSE she has served Tulare Union High School for many years, and

BECAUSE she has increased the desirable public relations in the community with unlimited services to clubs and organizations,

We, the Argus Staff of 1953, dedicate this book with sincere appreciation to Mrs. Alta Newcity.

PRESIDENT'S MESSAGE

Students of Tulare Union High School will remember the year 1952-53 as outstanding. We shall never forget the adjustment we had to make due to the physical conditions of the school after the recent earthquake. Our extra-curricular activities are something we can always look back upon and remember the good times we had at our athletic contests, dances, plays, and parties.

Tulare High has always appeared as tops in activities. This year our musical programs have been rated superior in competition with the best in the state and have achieved honors envied by many schools. No less praise should be given to our athletic, agriculture, and drama departments. These are just a few of the accomplishments of the school that makes me a proud member of the student body.

I would like to express sincerely my appreciation to the faculty and every member of the student body for their co-operation and encouragement of student affairs this year and also to the citizens of the Tulare Union High School District for their support of our school this past year as voters in the bond election.

STUDENT COUNCIL

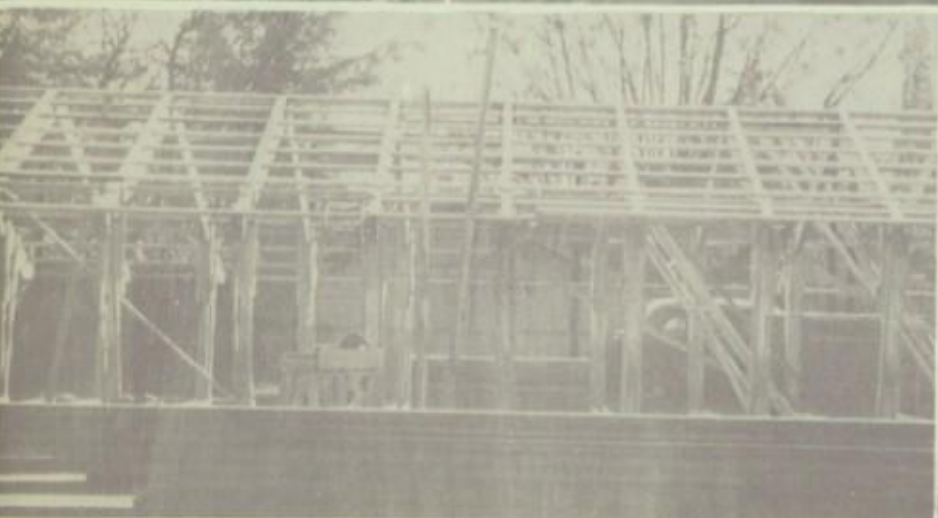

The Student Council, under the able sponsorship of Keith Waite, started the year with the traditional skit to sell student body cards. The council was very active and sponsored many student activities including a bonfire rally and a big "Sock-Hop."

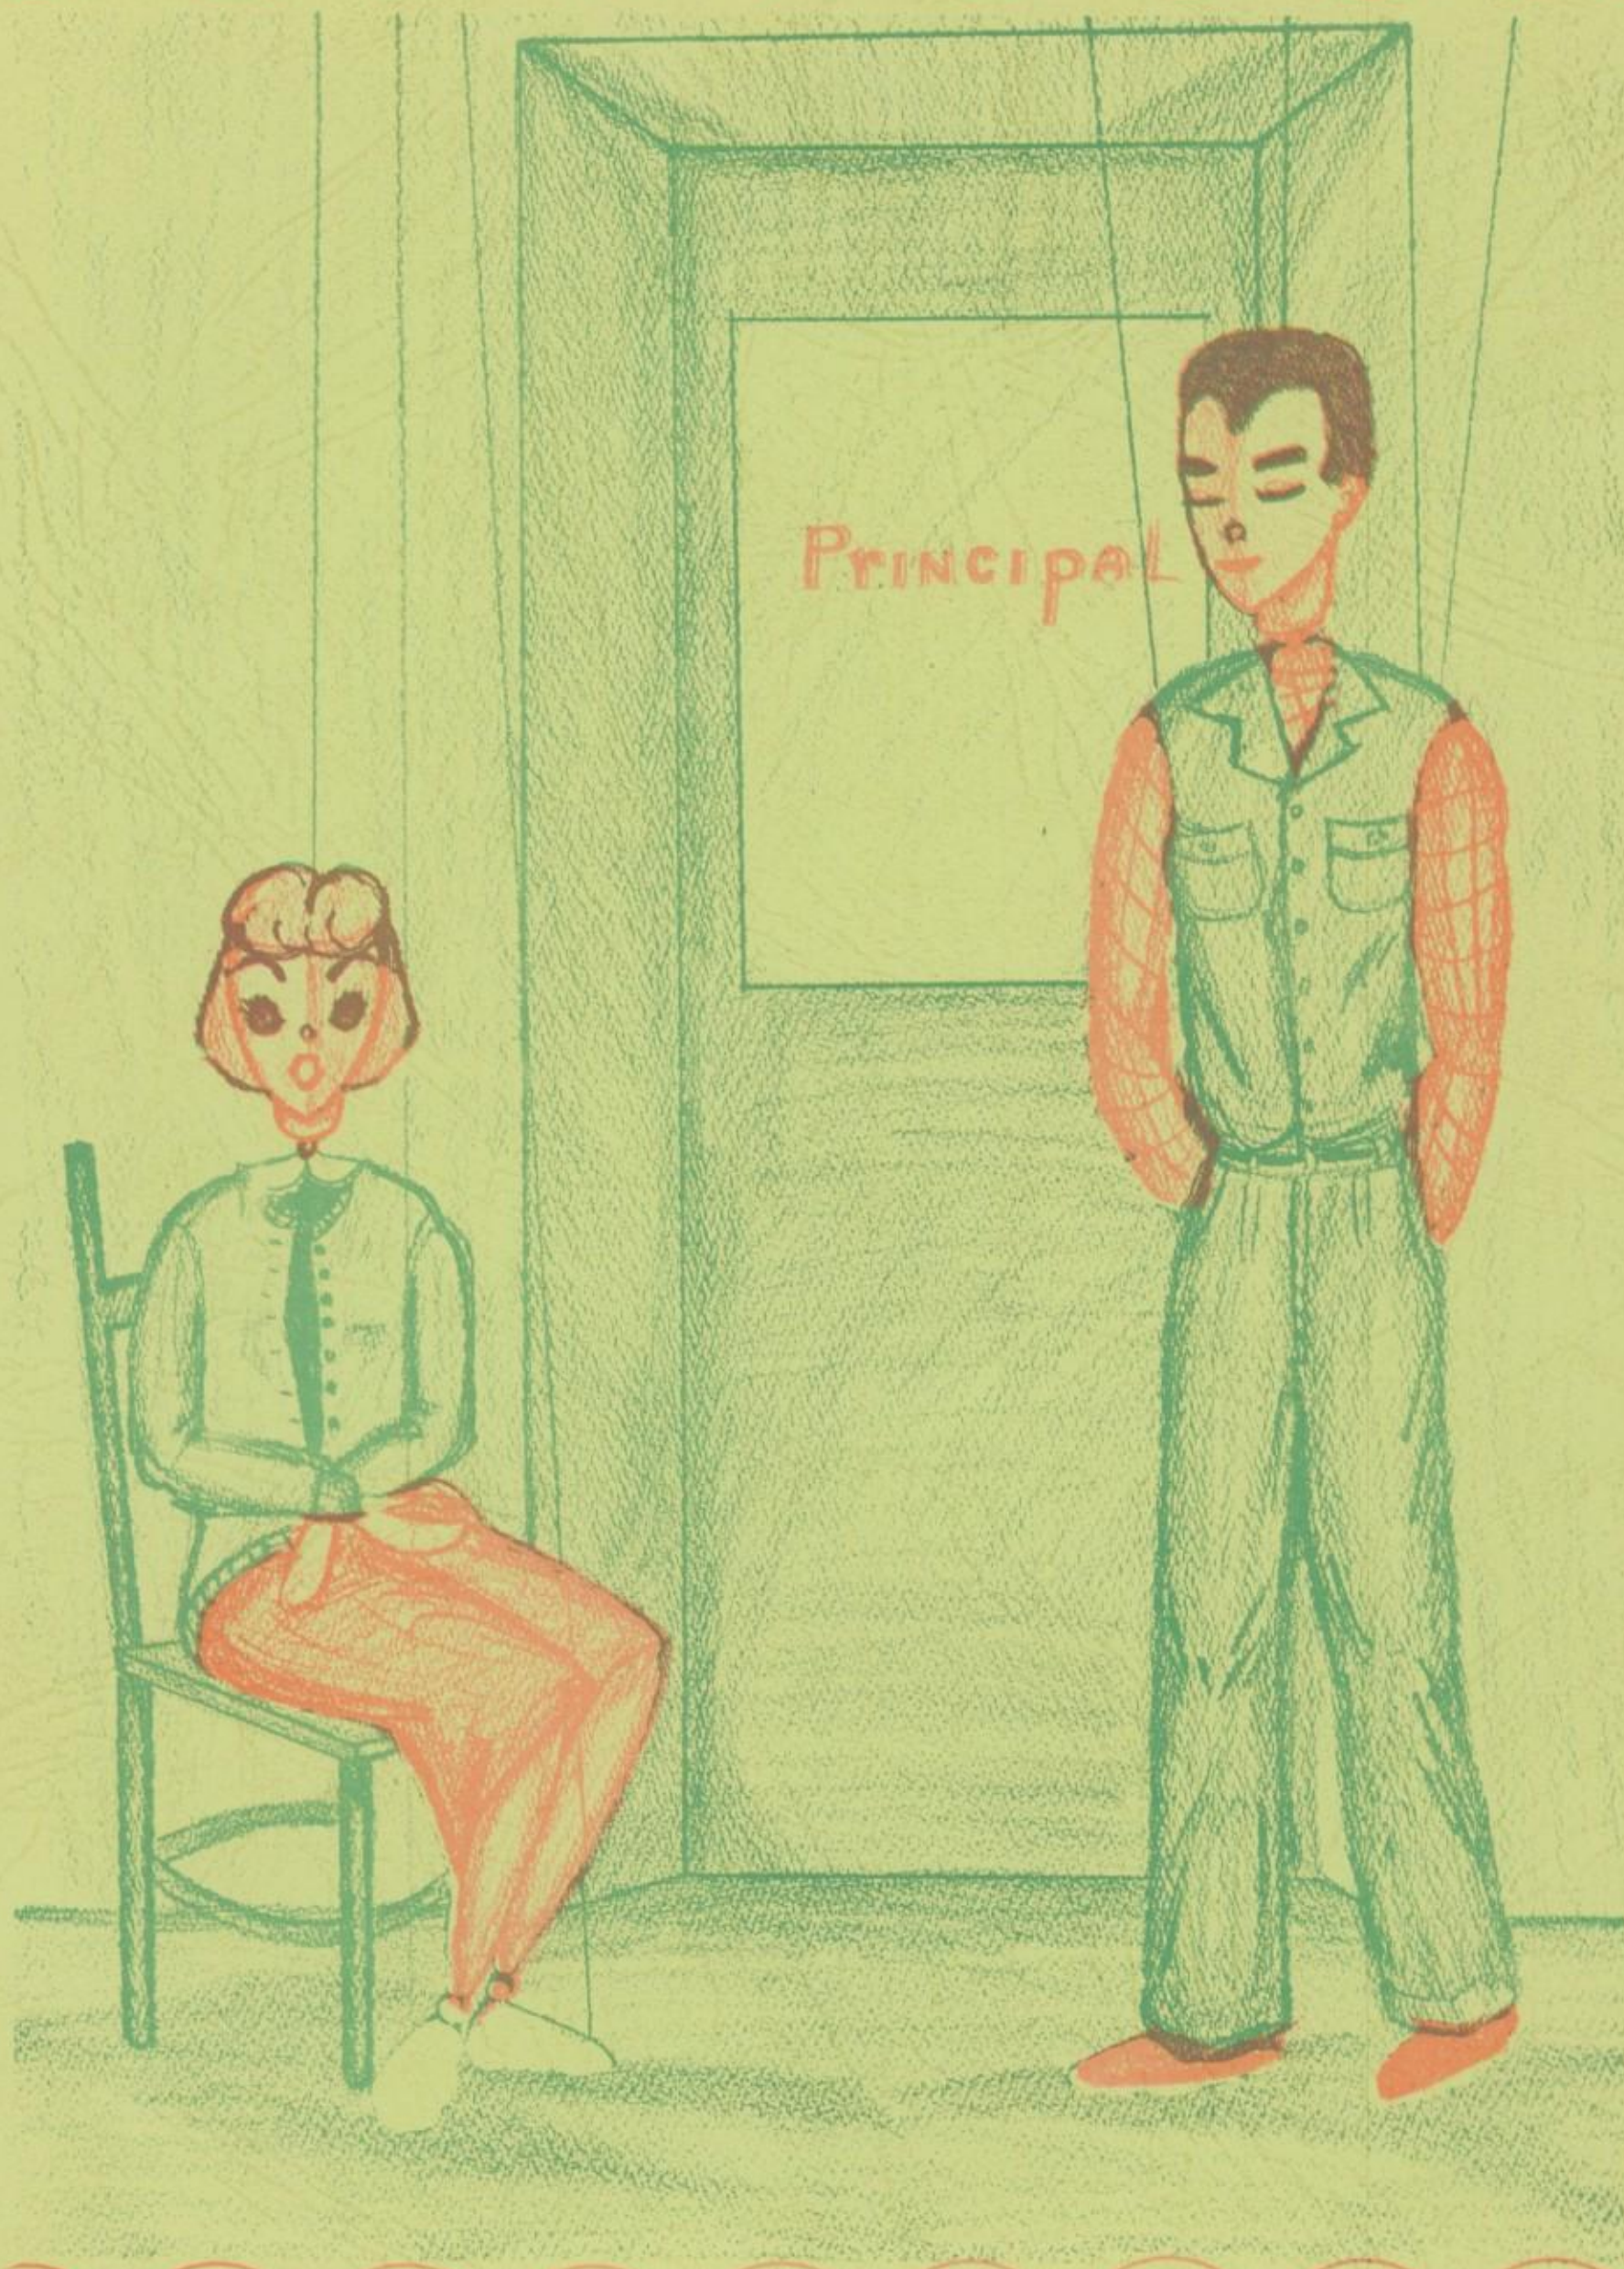

The council was instrumental in the formation of a committee to start a Rally Club the following year.

One of the largest projects sponsored by the council and the administration was a campaign to help keep the campus clean.

Those serving on this year's council were Gerry Laird, President; Keith White, Vice-President; Terri Savial, Secretary; Bill Murphy, Treasurer; Arthur Cantu, Head Yell Leader; Diane Rose, Girls' League President; Ken Seavers, Boys' Federation President; Janet Altaffer, GAA President; Joe Vierra, Boys' Athletic Commissioner; Arvelle Williams, Publicity Chairman; Sue Simpkins, Social Chairman; Ebeth Fell, Argus Editor; John Guerrero, Cadet Representative. The presidents of the classes also served on the student council.

SUPERINTENDENT'S MESSAGE

A PUPPET LAND FANTASY

This year the chief marionette, commonly known to all of us as the Argus Staff, has decreed that we all shall be puppets. Now being puppets is really not so hard to imagine because puppets and people are a lot alike. People react in certain ways to certain stimuli and so do puppets. The difference is that while people react to the words and actions of other people, puppets react by the pulling of strings. Since we are puppets by decree, let's see how this string reaction business works.

As puppets, some of us have a tendency to pull the strings in others that bring out the worst reactions. It seems that we hunt for the strings that cause anger or unpleasantness in others. However, many puppets are capable of pulling strings that cause happiness and confidence.

In some puppets the strings which cause pleasantness are long and easy to pull, while the strings that cause unfavorable reactions are short and difficult to find. Unfortunately, not all puppets are like this. There are puppets whose strings controlling anger and resentment are long and easy to find while the strings for favorable reactions are too short to pull, or are missing altogether.

So the moral for puppets--if there be a moral--if you are going to pull strings on other puppets, try to find the ones that will cause happiness and favorable reactions. As for your strings, be sure that the ones that bring out the good in you are always left long and accessible while the other strings that bring out the bad are cut so short that it is impossible for them to be pulled at all.

BOARD OF TRUSTEES

Highlight of the activities of the Tulare High School District Board of Trustees this year was the big building program.

Following the earthquake which struck the San Joaquin Valley last summer the A and C Buildings were condemned by the Board and temporary classrooms were set up in the gym. Soon, thereafter, two little buildings were built on the land behind the bus garages. In the middle of this year the voters of the school district passed a bond issue by an overwhelming majority. Near the end of the year the two old class buildings were torn down and in their place within eighteen months will be two new two story buildings.

The Board also made many improvements which aided in the smooth administration of our school.

The Board is headed by W.J. (Bill) Walker and other members are Walter Long, John Adair, Jack Elkins and Carston Keefe.

FACULTY PLAY

Scramble a funny play with some equally funny acting; mix in a good charitable cause and cook well. That's the recipe for the annual faculty play "Room Service".

Playing a two night run the comedy filled the auditorium both times and had the audience rolling.

The plot wove around the adventures of a gullible playwright, Don Frew, who tries to make money in New York City. He is "taken in" by a crooked play director, Race Kent, and has lot's of hilarious situations.

George Pappas directed the comedy and others in the cast were Donovan Cartwright, L.M. Helland, Marion Weinberg, Betty Lowe, Morris Knudsen, Gersen Grosmark, Julius Menendez, James Parkinson, Robert Zetterberg, Robert Rigney, Raymond Wiedman, Arthur Williams, and Ann Pappas.

Proceeds from the play went to the Faculty Service Fund.

SENIOR COUNCIL

JOHN ODENBAUGH

The Senior Class Council, under the guidance of Miss Lois Thompson, experienced a successful but trying year.

John Odenbaugh headed the class as president during the first semester, with Gerald Bowles serving as vice-president, and Don Evans, as treasurer. Mary Lorenzo served as secretary for both semesters. Second semester officers were Don Brown, President; Richard Bugg, Vice President; and Julia Balmer, Treasurer.

The Seniors sponsored the Christmas dance, which was held at the Women's Club House, because the gym was being used for classrooms. In spite of difficulties, the dance was enjoyed by all.

The Senior play, "My Sister Eileen," starring Terri Savial, Barbara Price, and Johnny Batista in leading roles was a tremendous hit.

Ending the year was numeral planting on June 11, Baccalaureate on June 14, and Commencement on June 15, with Ronald Askeland, Ebeth Fell, Robert Hobbs, Terril Savial, Sue Simpkins, and Richard Warren as Commencement speakers.

FUTURE FARMERS OF AMERICA

This year the Future Farmers of America celebrate their Silver Anniversary--25 years of service to American Agriculture.

The Tulare Chapter's 100 plus members is part of a national organization of over 350,000 farm boys. The foundation upon which this democratic organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

The Chapter's aims and objectives are written in a program of work which includes: annual judging contests, dances, ball teams, an annual parent-son banquet, community services, field days, and various local and national contests. It also sets goals for the Chapter and for individually supervised farm programs.

JUNIOR STATESMEN

The Junior Statesmen of America, with its motto, "Make Democracy Work" is an organization devoted to educating youth in the principles of democracy. It provides an opportunity for a high school student to become a junior legislator, to introduce bills and resolutions, and in so doing gain an interest in the function of government.

Some of the activities of the local chapter were attending conventions at Bakersfield, Turlock, and Sacramento.

SENIOR PLAY

In the production of their annual play, the Senior Class went off the beaten track to present the hilarious comedy, "My Sister Eileen."

The cast required an abundance of unusual characters, and the class of 1953 possessed just such characters. The leading roles were filled by Terri Savial and Barbara Price. The conniving landlord, Mr. Appopolous, was played by John Batista, and the "Ramblin' Wreck from Georgia Tech" was ably portrayed by Gerry Laird.

A record crowd was kept laughing as many insane situations revolved around the two girls who came from Columbus, Ohio, to New York to make a living.

Also included in the cast of twenty-eight were Roger Nicholson, Wendell Lippencott, Diane Rose, Bill Hifner, Denise Reed, and Sal Carrillo.

The unusual set featured a large dormer window of the basement apartment. Throughout the play the audience viewed the lower extremities of passers-by.

JUNIOR PLAY

The hit comedy, just off the New York stage, "Lo and Behold" was presented as the Junior Class play this year.

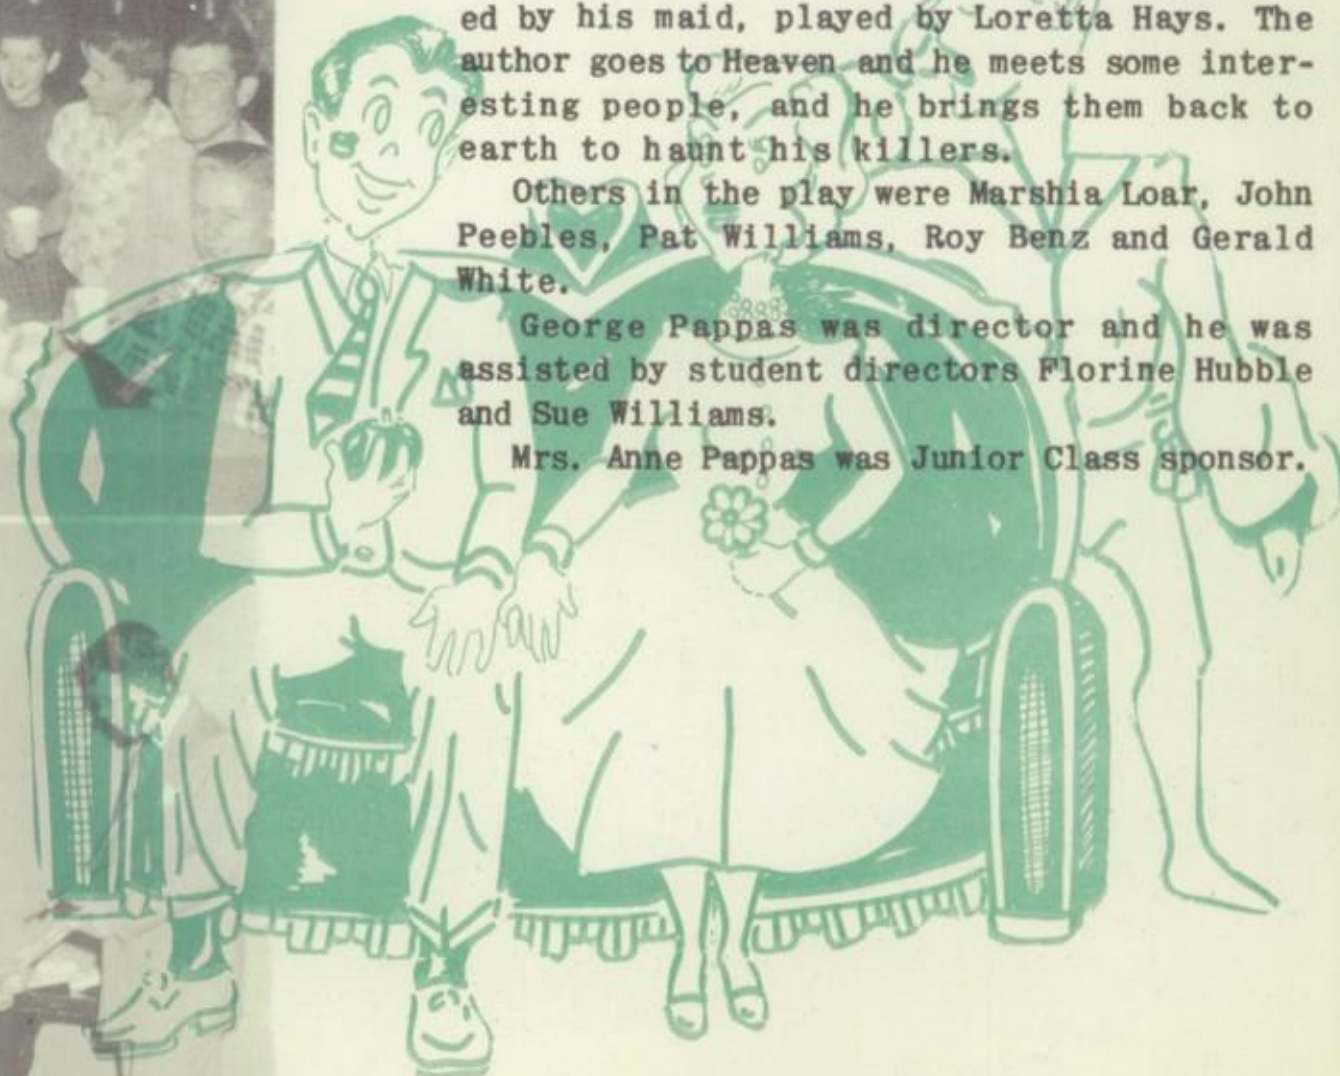

The plot weaves around an ailing writer, played by Pat Doherty, who leaves part of his money to his favorite doctor, played by Johnny Lawrence, who aids in a scheme to kill his client.

The writer is killed by some food, poisoned by his maid, played by Loretta Hays. The author goes to Heaven and he meets some interesting people, and he brings them back to earth to haunt his killers.

Others in the play were Marshia Loar, John Peebles, Pat Williams, Roy Benz and Gerald White.

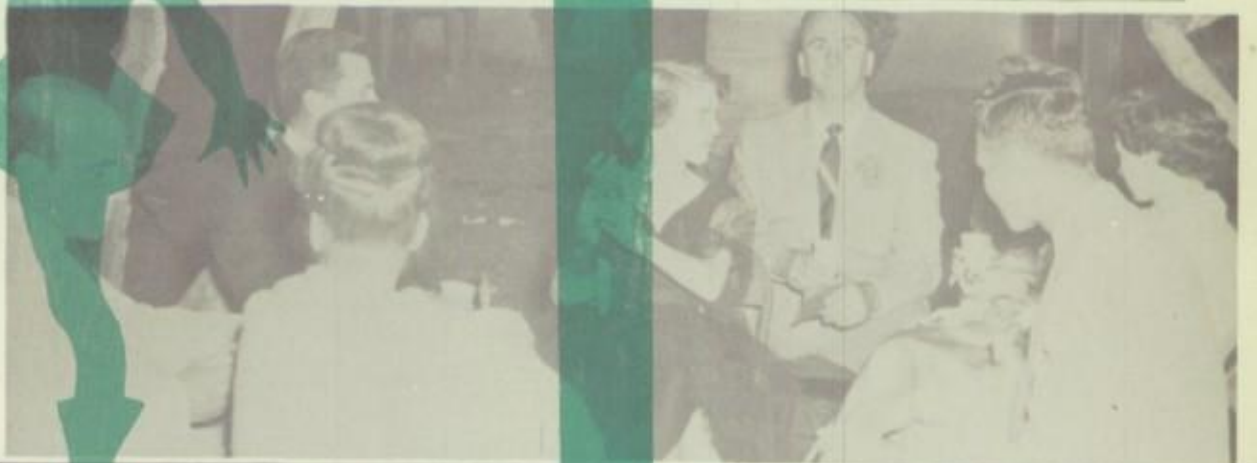

George Pappas was director and he was assisted by student directors Florine Hubble and Sue Williams.

Mrs. Anne Pappas was Junior Class sponsor.

PHOTOGRAPHY

Any second or seventh periods the photography students could be found almost any place on the campus. All year they were taking pictures to illustrate various phases of their class work and assignments.

Working hard on the Argus for both semesters were Dale Fry and Bob Northen (especially during football season). Joining their efforts during the second semester were Lee Dean, Shirlee Kinney and Richard Mauler.

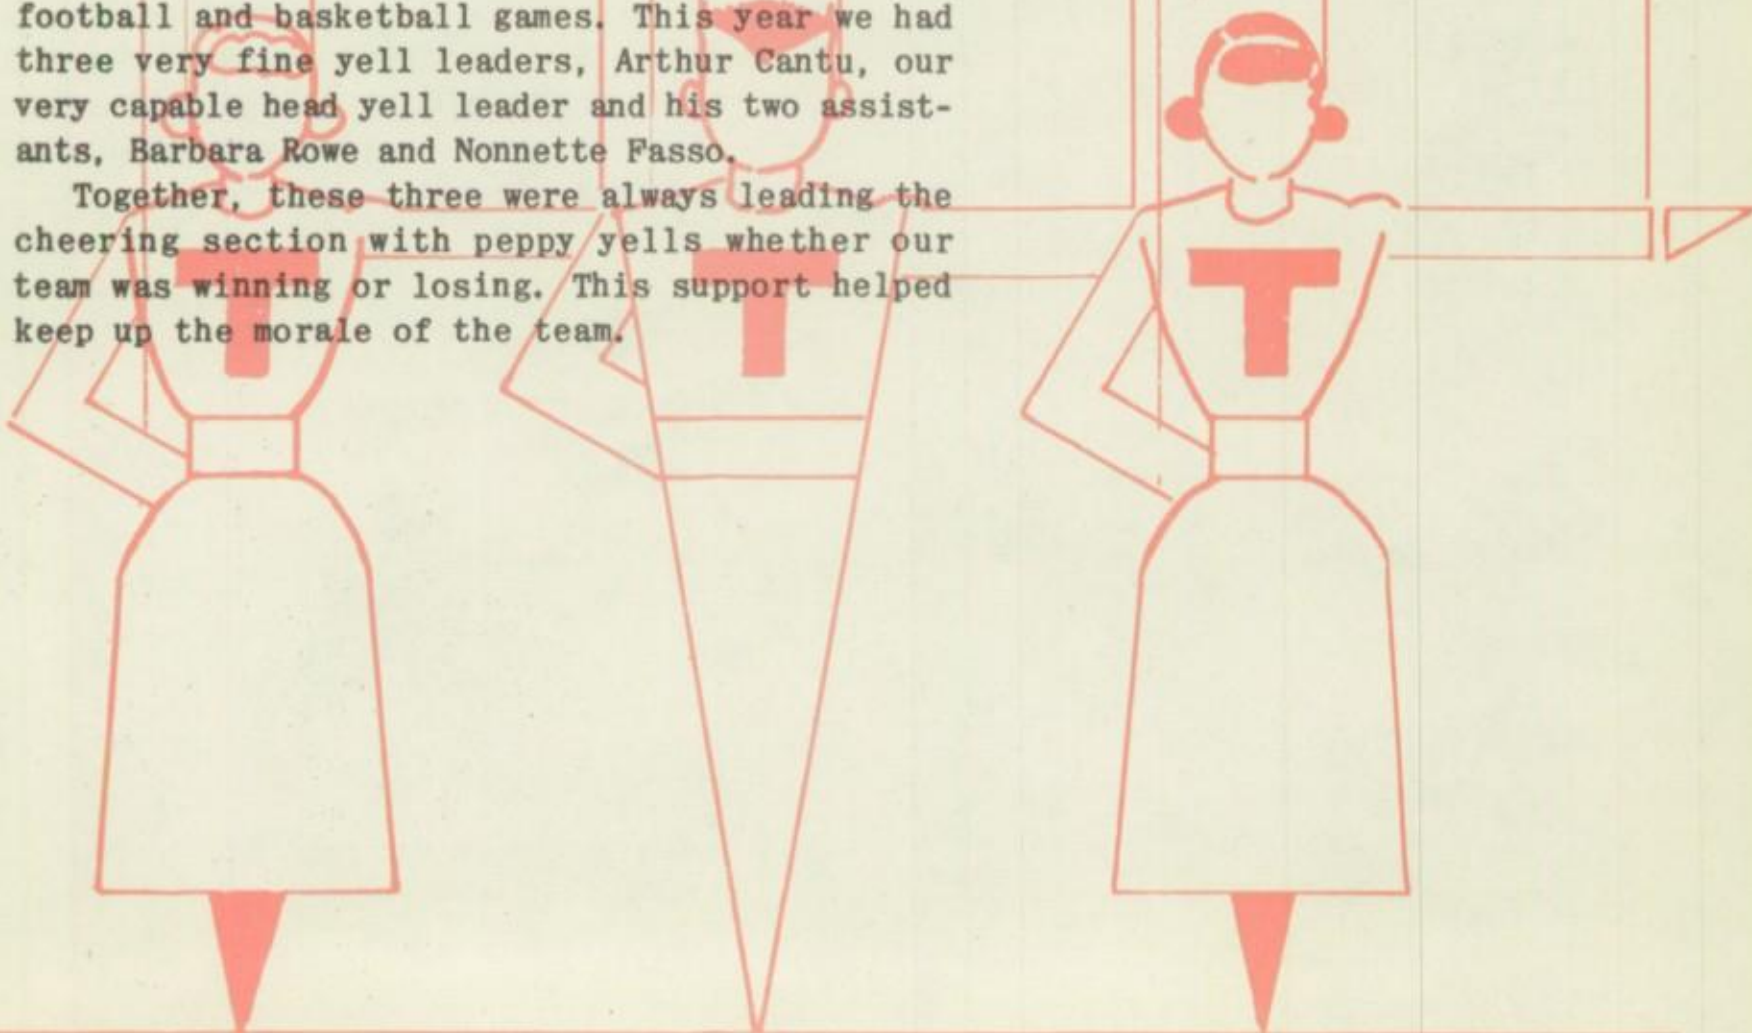

YELL-LEADERS

Cheering for your team is part of the fun at football and basketball games. This year we had three very fine yell leaders, Arthur Cantu, our very capable head yell leader and his two assistants, Barbara Rowe and Nonnette Fasso.

Together, these three were always leading the cheering section with peppy yells whether our team was winning or losing. This support helped keep up the morale of the team.

SPEECH AND DRAMA

The purpose of the Speech class is to provide opportunities for the improvement of certain basic skills and techniques of oral communication. This year several members became proficient enough to enter speech contests and provide their services to the community. Marshia Loar, Mary Ann Hodges, Rosemary Lynch and Bill Hifner participated in the following contests: Lion's Club, Knights of Pythias, Visalia, Merced, Modesto High Schools; and San Francisco State College. They also spoke to community organizations such as P.T.A. and Soroptimist Club.

ARTS

ART DEPARTMENT

The Art department found itself back in the Craft Building this year after seven years in the A Building.

The Art II students again made Life Maps and all classes made pictures for the International Exchange Program for the Red Cross. Art students helped with play sets and dance decorations; made posters for Christmas and various events; and displayed work in the cafeteria for different events during the year.

CRAFT DEPARTMENT

It has been necessary to eliminate such courses as weaving, costume jewelry, stenciling, and ceramics. We have worked in leather most of this year. Leather is perhaps the most popular of all craft work. Some students have made as many as thirty-five billfolds in one semester besides several purses, etc.

By developing skill they can soon make enough money to pay for tools to continue their work at home and use spare time for this profitable hobby.

AND

CRAFTS

LIBRARY

A familiar spot to many Tulare High School students is the library. Open from 8:00 A.M. to 4:30 P.M. each school day, the library provides materials for use in all classes; there is a large reference section and a good supply of varied types of magazines as well as many fiction and non-fiction books of all sorts. Students are encouraged to use all of the information available to them in the library.

This year seventeen seniors worked in the library class. In this class the girls become acquainted with the many phases of library work and get some experience in each.

Since the regular librarian, Miss Rita Atkinson, was on leave of absence the position of librarian was filled by Mrs. Betty Lowe.

Frequently overlooked, but a very important section of the library, is the textbook room. From there all textbooks are distributed by Mrs. Burrows for use in the classrooms.

HOMEMAKING

This year is a unique one in the Homemaking Department. While emphasis in the past has been on preparation for marriage this year girls may prepare for a career as well as marriage. Positions in numerous fields are not limited to the College graduate. College Prep students may take Homemaking as an elective. Homemaking I, II, III with classes also in Foods and Clothing, Senior Homemaking are offered to all girls that are interested.

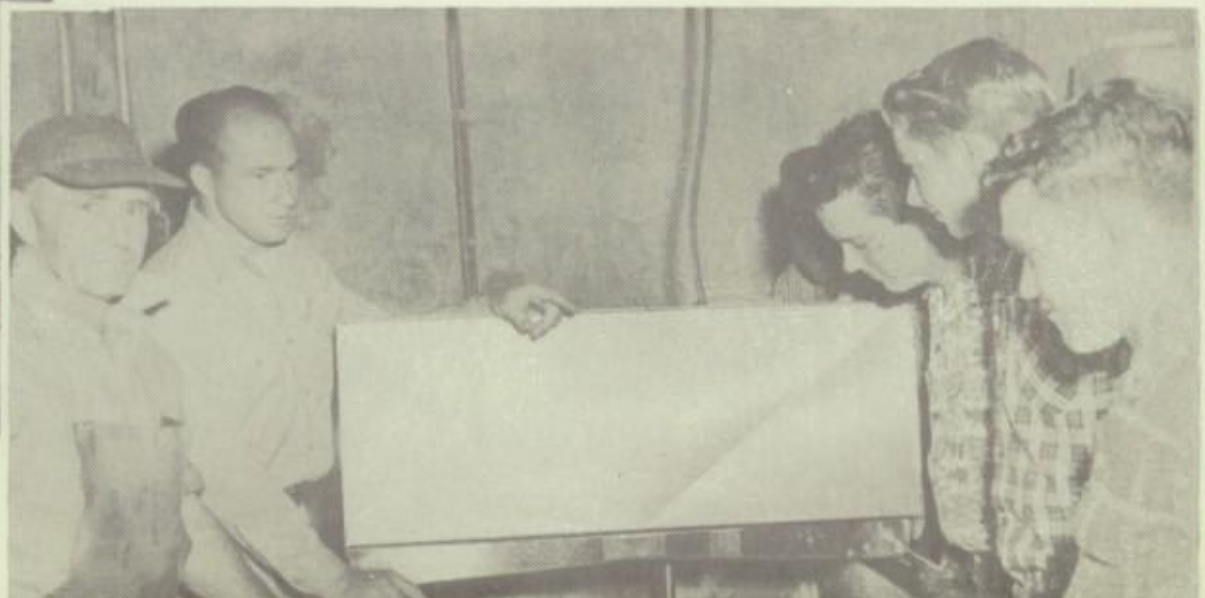

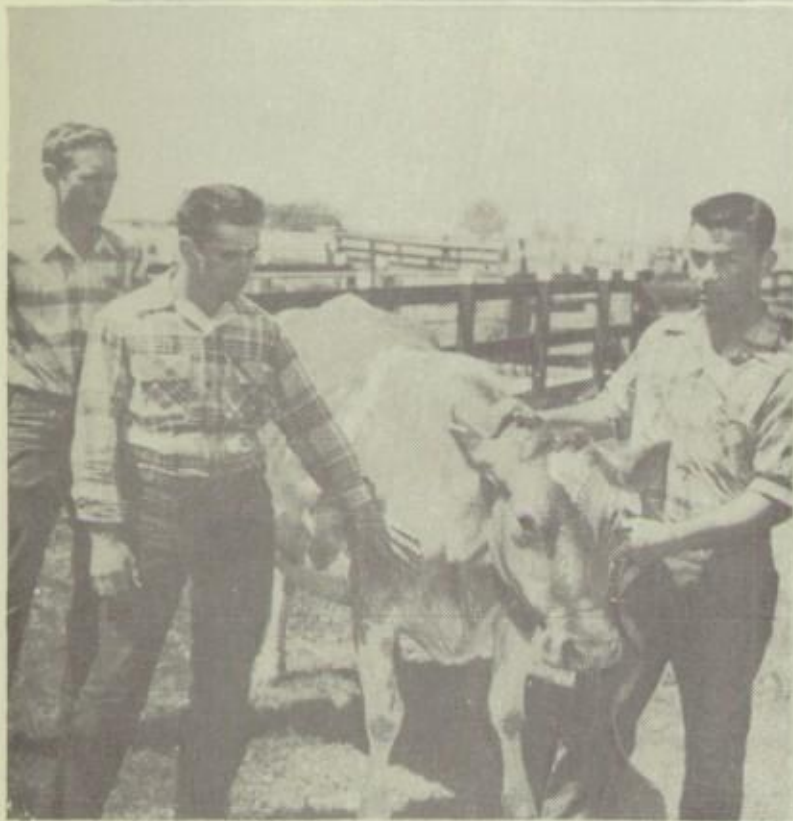

Phases of work include child care, clothing, family relations, foods, health and safety, the home and home management.

AGRICULTURE

The vocational Agriculture Course is designed to help place a boy in a successful farming situation upon completion of high school work. This is accomplished with the help of several aids. The eighty acre school farm laboratory provides practical experience in developing necessary farm skills, both in crops, livestock and in agricultural mechanics. Another aid is the student's own home farming enterprise, which is required of him in Vocational Agriculture. This enables the student to specialize along a line which he chooses and give him a start towards independence early in his life. Another aid is the Future Farmers of America program for Vocational Agriculture students. This aid tends to develop aggressive agricultural leadership, promotes cooperation and thrift among the members, and provides a wholesome type of recreation for its members. These and still others are being used today to do the job of developing perhaps the most important single group of people in the world today---the American Farmer.

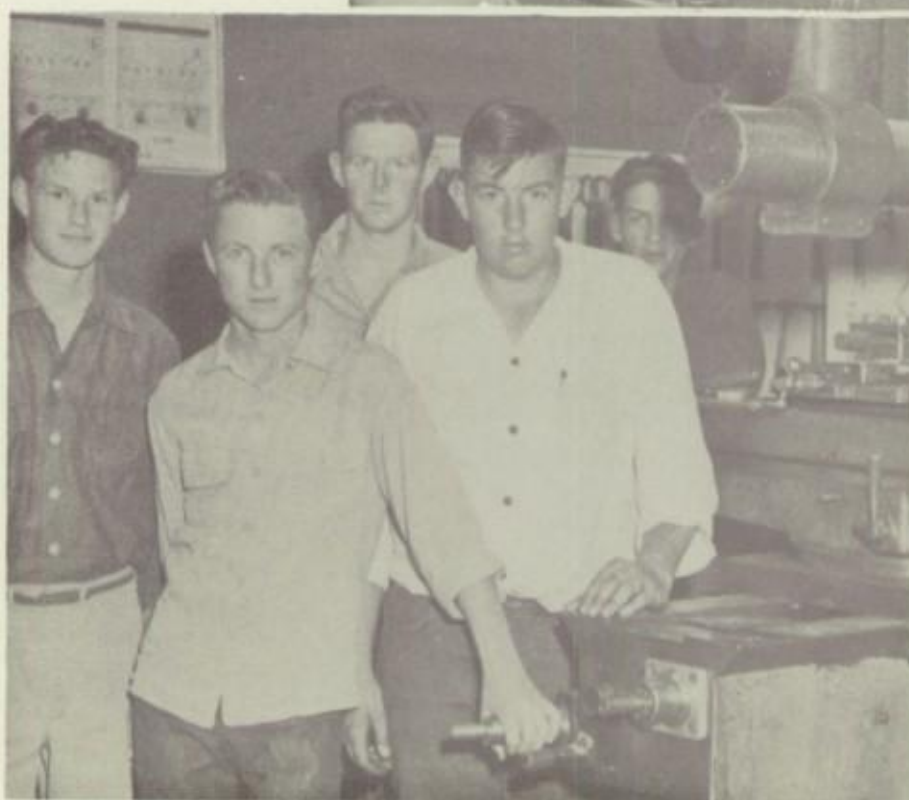

Our school's Vocational Training Department is unusually complete. We have an over crowded condition, of course, but Tulare High's Industrial Department ranks with the best schools in the state.

All Industrial Freshmen enroll in General Shop, an exploratory course where they get a general idea of what the course includes. After their Freshman year they have opportunity to take Auto Mechanics, Metal Shop, Mechanical Drawing, Radio and Electricity, Woodwork, and Carpentry

INDUSTRIAL

The Business Education Department is made up of Secretarial, Clerical and Merchandising students. It is organized to train students in their chosen field of employment. Attention is given to developing special skills and desirable business and personality traits.

The students are given practical experience working in school offices, the Student Store and in afternoon jobs down town.

BUSINESS EDUCATION

CADETS

This year the Cadets have really improved, from last year. They started this year by having all their officers in "pink and green" uniforms.

At their annual Cadet Ball they had a good turn out, and Pat Wright was chosen queen by the Cadets.

The Cadets also had a newspaper of their own this year.

Clyde Latimer has done a fine job with the Cadets and will be back next year to build the Corps up still more.

This year the Cadet Corps was rated as sixth largest in the state, but next year they hope to better their position.

DRIVER TRAINING

Tulare High School has perhaps one of the most well equipped and instructed Driver Training facilities of any school in California. The highlight of the year was a Road-O-Day, which was a test for skill in driving, between Porterville, Lindsay, Visalia, Orosi, and Tulare students. There were two teams, each with seven student drivers, and each were given a special driving problem to solve. A free dinner was served to team members, and the patrolmen, who helped with the judging.

ELECTRICITY

The Stage Craft Class, under the instruction of Nelson Witte, is a course designed to teach theories and practical operation of stage managing. Special stress is placed on production of our school plays, assemblies, and programs, and students learn the techniques of lighting and sound effects.

Electricity is one of the most interesting courses offered at T.U.H.S. The first year is spent in studying theory, magnetism, and batteries. Shop practice on appliances is given, and the class also gains experience by wiring the carpentry class project.

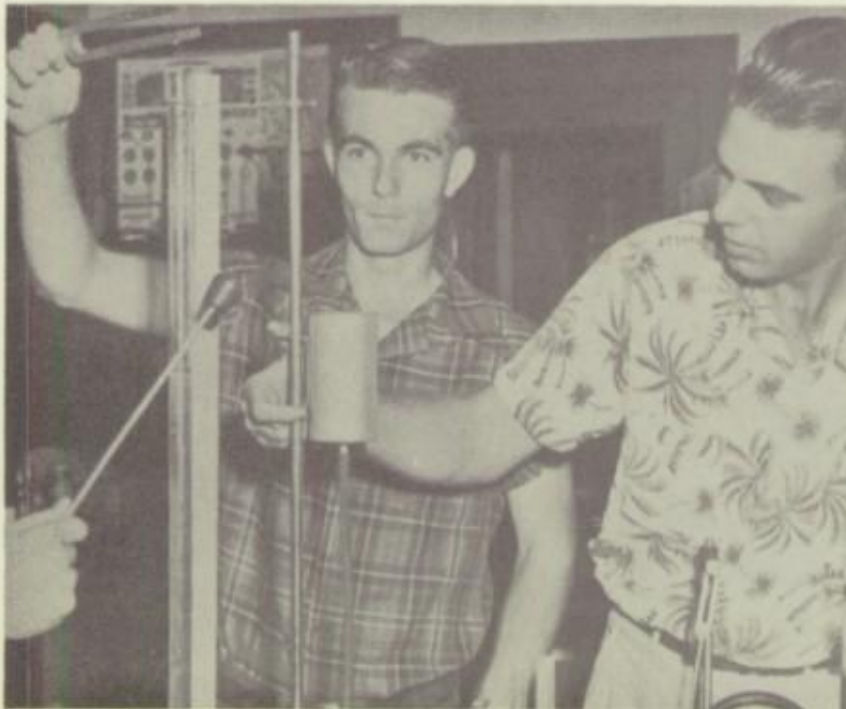

SCIENCE

Our Science Department has been operating in temporary buildings this year because the A Building was severely damaged by the earthquake.

General Science, life science, biology and physical science are designed to give a student a better understanding of his environment in this scientific age.

Chemistry and physics are the laboratory sciences which include Tulare High School's future engineers, doctors, dentists, nurses, and other scientific professions.

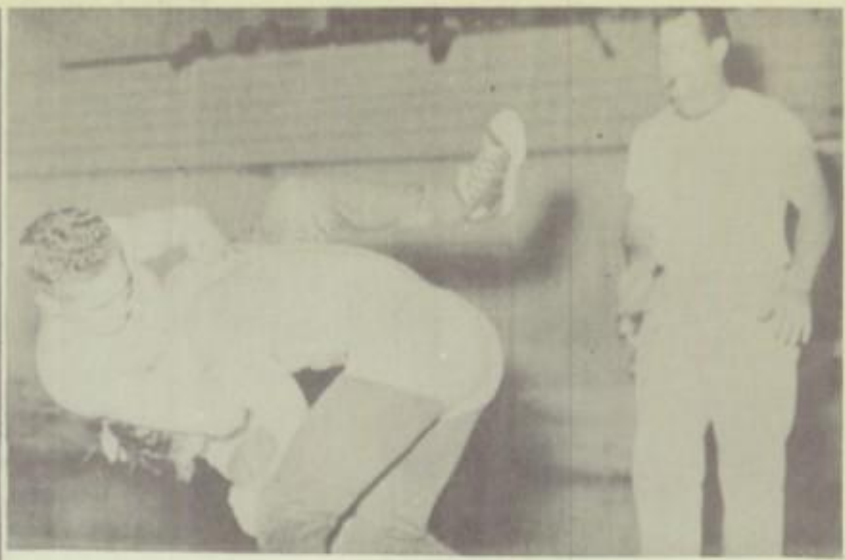

HEALTH

The Health Program is carried on by the combined efforts of the administration, teachers, counselors, students and the school nurse. The Health Services are supervised by the School Nurse. Her duties are to counsel with all students returning to school following an absence due to illness or accident. She also works with the Counselors in planning a functional schedule for all handicapped students in school.

Some of the other services available are first aid, vision and hearing testing, and assistance in securing corrections of remedial defects through the help of service organizations in the community.

PHYSICAL EDUCATION

The Girls' Physical Education Departments offer a wide variety of activities, team, individual and dual. Many of these may be used for leisure as well as aiding in adolescent development. Emphasis is placed on attitude, skill, and wholesome boy-girl relationships.

Boys' Physical Education at Tulare Union High School is the teaching division of education that is concerned with big muscle and vigorous total body activities and has as its ultimate aim, the development of individuals better equipped to meet and serve the society in which they live.

To achieve this aim, students, at Tulare High, take part in thirteen activities during regularly scheduled classes. These daily classes are divided into instructional, practice, and competitive periods.

In addition to the daily classes, there is an athletic phase, of the physical education program that fields an average of sixteen teams per year.

INTRAMURAL PROGRAM FOR GIRLS

Intramurals or "play offs between teams within the school" have been added to Girls' Physical Education this year in the form of noon recreation, and have proven quite successful. Games are scheduled between groups of comparable skill in basketball, volleyball, speedball, hockey and paddle handball. Winners of each period have their pictures on panels in the gymnasium, semi-finalists are rewarded by pictures in the War Whoop, final winners are in the Argus. Next year we hope to add tennis and table tennis.

REDSKIN WARWHOOOP VOLUME 31

Few people realize the statewide recognition our weekly War Whoop is attaining. It is unique that we produce all the work on our own campus, instead of going elsewhere for procedures in the publications. The War Whoop is the production of the Journalism class with the able assistance of the Tulare High School Photography department. Race Kent is the sponsor and Terri Savial acted as editor of this year's paper.

Front Row: Barbara Price, Janet Altaffer, Anna Lou Clark, Jackie Lancaster, Nadine Souza, Louise Stapp. Second Row: Reta Harris, Denise Reed, Irneese Jones, Terril Savial, Diane Rose. Standing: Mike Milnes, Joe Domingues, Kirby Wyllie, Leroy Lewis.

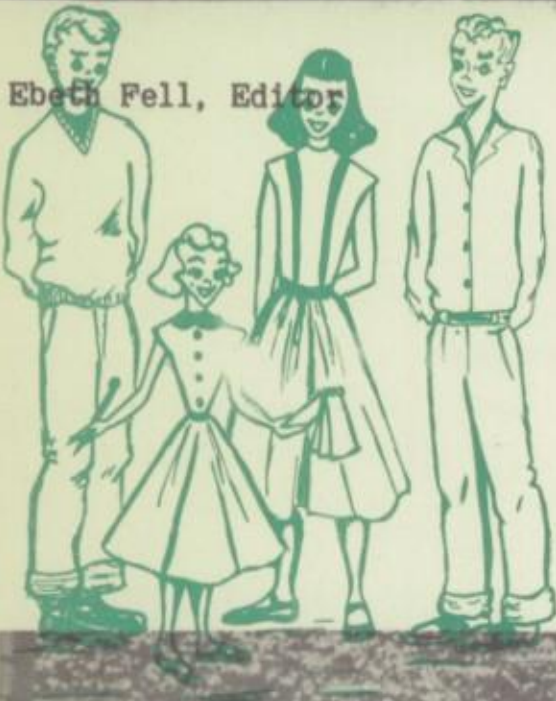

Ebeth

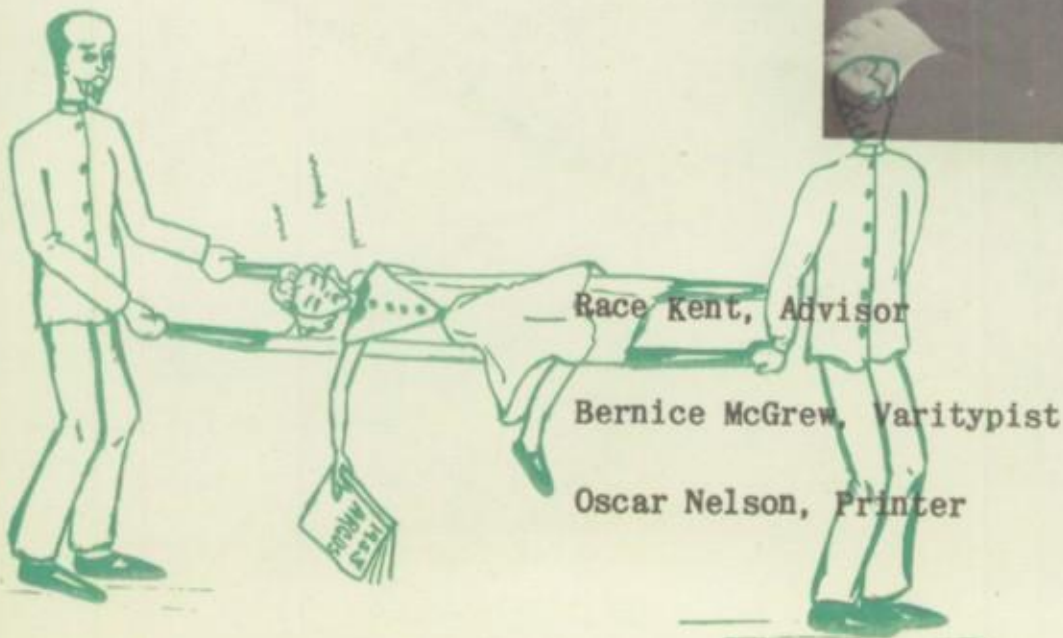

This year the Argus Staff got off to a flying start the first of the school year, with a mass meeting of all those interested in helping with Argus work. Many students were grouped according to the division of the Argus in which they were most interested; but, many were used for miscellaneous work; such as, writing articles, identifying pictures, and stacking Argus' during the final week of production.

The various editors for the 1953 Argus were Ebeth Fell, Editor-in-Chief; Ruth Ann Huffsmith, Assistant Editor; Terri Savial, Art Editor; Arvelle Williams, Senior Editor; Loretta Hays, Junior Editor; Nonnette Fasso, Sophomore Editor; Robert Franklin, Freshman Editor; Jackie Lancaster, Club Editor; Louise Hawkins, Activities Editor; Fred Sheley, Boys' Sports Editor; Janet Altaffer, Girls' Sports Editor; Denise Reed, Dance Group Editor; and Mike Milnes, Faculty Editor.

BAND

W. Mueller

The Tulare Redskin Band, under the direction of Gordon E. Lowe, has traveled over 2,600 miles this past year. They have won honors in both playing and marching, throughout the state. They were among the top three at the All Western Band Revue at Long Beach, and won high honors in both the Porterville and Santa Maria parades.

The highlights of the year were the Tournament of Roses Parade, the East-West Game, and the Santa Maria Parade.

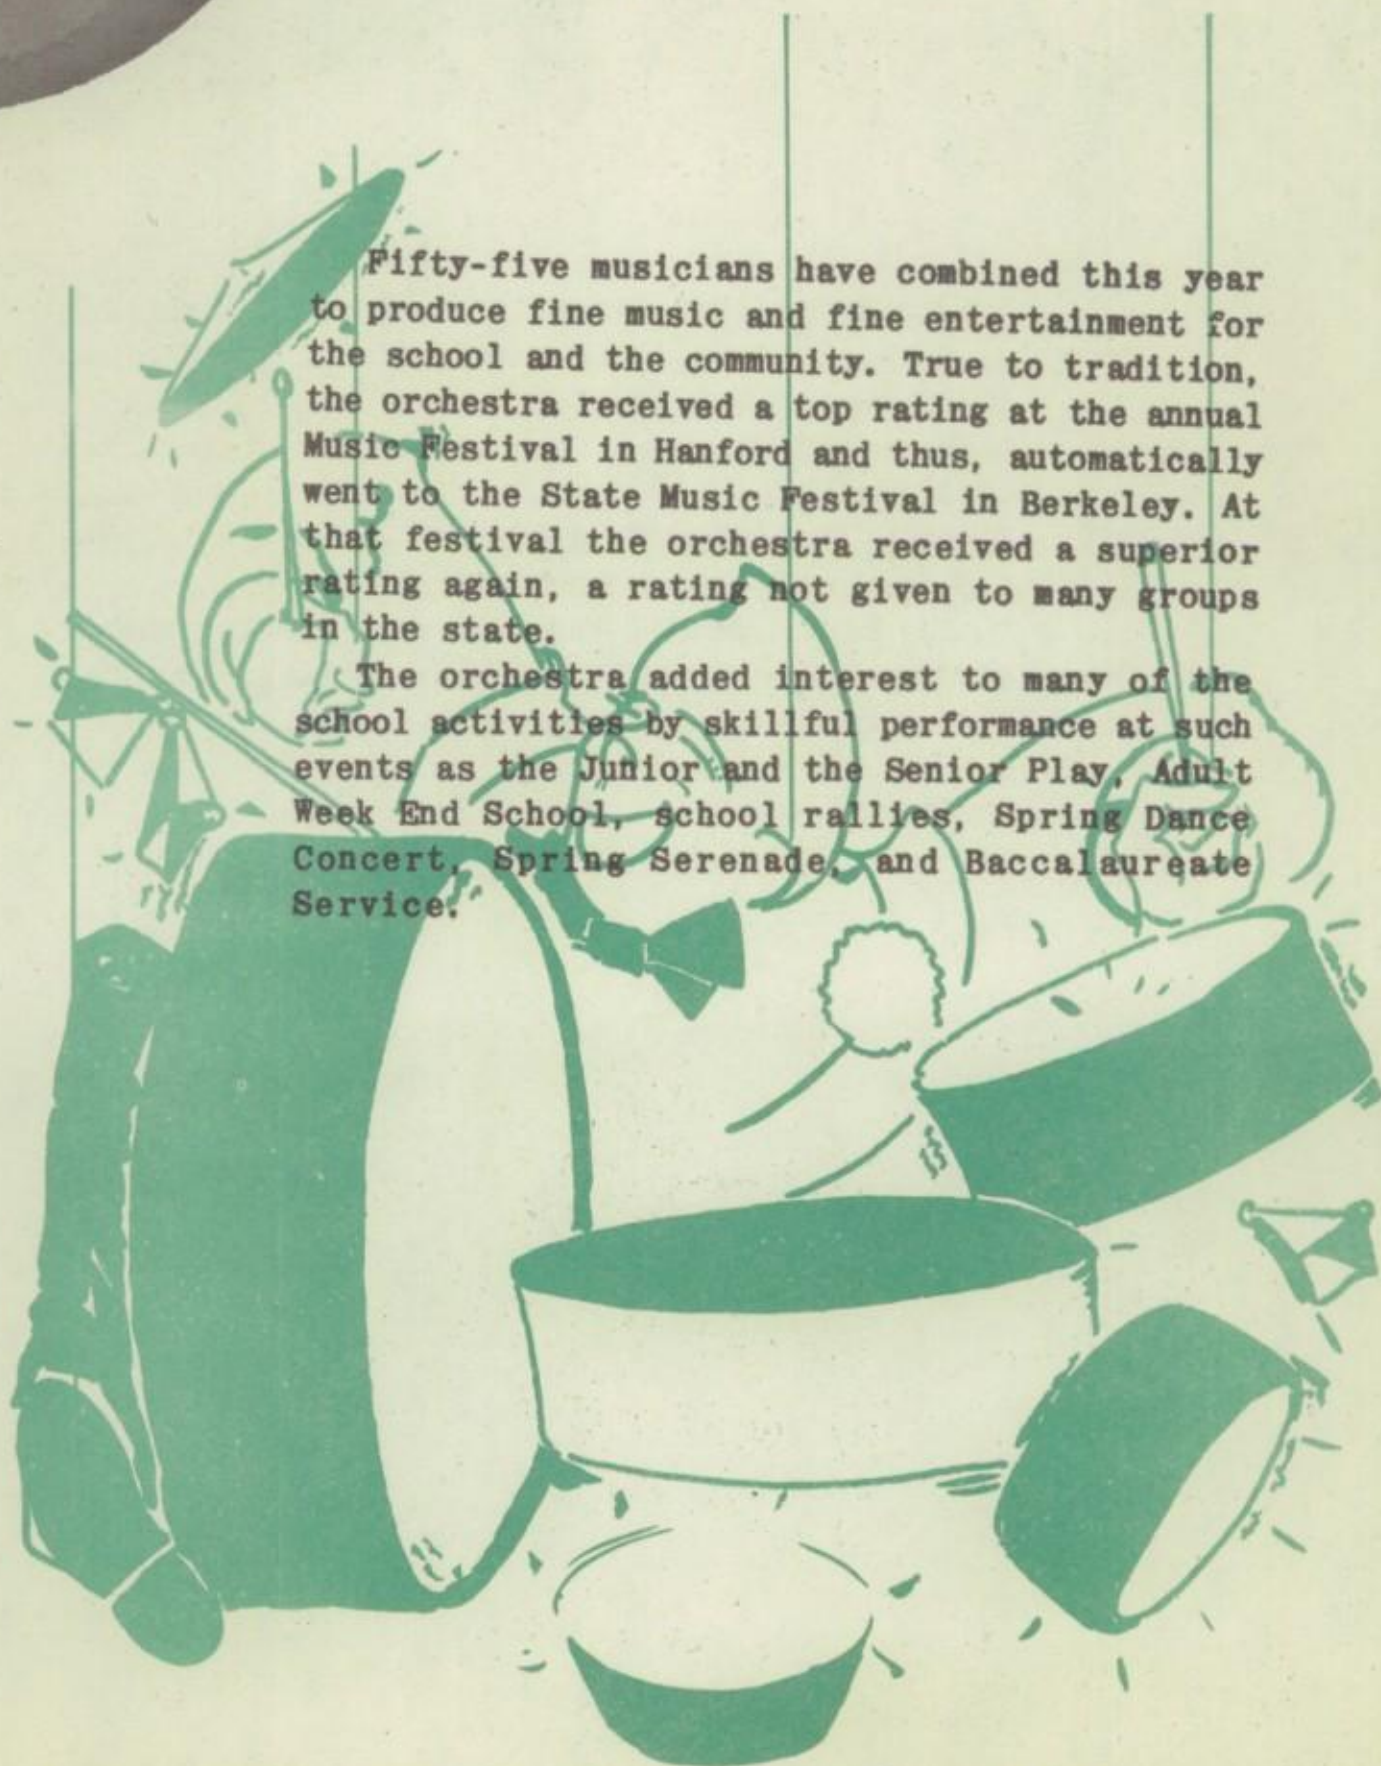

The band received top ratings in both the state and district Music Festivals.

Sue Simpkins, Concert Mistress

Fifty-five musicians have combined this year to produce fine music and fine entertainment for the school and the community. True to tradition, the orchestra received a top rating at the annual Music Festival in Hanford and thus, automatically went to the State Music Festival in Berkeley. At that festival the orchestra received a superior rating again, a rating not given to many groups in the state.

The orchestra added interest to many of the school activities by skillful performance at such events as the Junior and the Senior Play, Adult Week End School, school rallies, Spring Dance Concert, Spring Serenade, and Baccalaureate Service.

ORCHESTRA

The choral organizations experienced one of their most successful years. Both large groups, the mixed chorus and the girls chorus, received superior ratings in the music festival. The smaller ensembles, girls trio, boys quartet, and mixed quartet, as well as soloists were also rated superior by the festival judges.

Members of the mixed chorus participated in the all-county chorus in Visalia, the Christmas Concert, a program for adult week-end school, and the spring serenade. The girls chorus combined with the mixed chorus in presenting a Thanksgiving assembly and the annual spring concert. The year was climaxed by the presentation of the musical comedy, "Finian's Rainbow."

The smaller ensembles and soloists made many appearances during the year before service clubs, churches, and other groups throughout the community.

VARSITY FOOTBALL

Under the guidance of Head Coach William C. (Bill) Ny, with a new system---charging T---the TUHS Redskins had their most successful football season in five years, winning six games, losing three, and finishing third in the Southern Yosemite League.

The Redskins won the seasons opener with Madera, 21 to 2.

Traditional rival Corcoran visited Tulare for the initial Redskin home tilt and TUHS scored a 25 to 6 victory.

Stepping into big-time competition, the Redskins next played the Bakersfield Drillers and came out on the short end of a 7 to 13 score.

League play opened at home against the Porterville Panthers. The game was close and although Tulare won on statistics the Panthers won on the score.

Taking to the road for four straight contests, the Redskins barely beat Arvin, 21 to 14.

Providing much joy in the Redskin wigwam, Tulare travelled to Visalia where the Pioneers, rivals of many years, were trampled 26 to 6. Tulare High got the Tulare-Visalia trophy back for the first time since 1947.

A journey to Delano brought only sorrow, as the Redskins were edged 12 to 13 in a rough, bitterly fought game.

The East Bakersfield Blades proved an easy touch for the improved Redskin team which won 25 to 7. Tommy Morris and George Walker were chosen permanent captains for the year prior to the tilt.

Closing out the season at home, the Redskins splashed and skidded to a 28 to 6 victory over the Taft Wildcats on a water-soaked field. Coach Ny swept the bench to give the reserves experience for 1953.

B-CLASS FOOTBALL

Although the Tulare High Papoose's seasonal record was not impressive there were many bright spots in their grid fortunes this year. There were five seniors playing their last football for the Papooses: John Batista, Kirby Wyllie, Bob Atamian, Gary Simonich and Don Boesch. Joe Souza and John Batista were elected by the squad as co-captains for the season. The team finished the season with three wins, one tie and five losses. The scores were: Tulare 25, Madera 0; Tulare 0, Corcoran 6; Tulare 0, Bakersfield 26; Tulare 19, Porterville 0; Tulare 18, Arvin 18; Tulare 12, Visalia 14; Tulare 0, Delano 7; Tulare 6, East Bakersfield 35; Tulare 20, Taft 0.

C-CLASS FOOTBALL

This year's "C" team is proud of its win-loss record, only losing one game, thus becoming the un-official league champions.

Delano was the opening game and the Tiger Cubs came out on top to win, 13 to 7.

Dinuba was the second game and the Little Indians topped the Dinubans, 7 to 0.

The Porterville game was a close contest but the Little Indians outplayed them to win again, 7 to 0.

The team white-washed Visalia 24 to 0 for the third victory.

In a return game with Dinuba both teams fought to a 7 to 7 tie.

The Exeter B reserves were beaten 26 to 0, by the Little Indians.

The team climaxed the season by walloping Visalia again, 32 to 6.

Front Row: Albert Cotton, Bobby Hill, Bob Tait, Billy Cantrell, Melton Richmond, Joe Monger, Bill Schneider, Bill Whilket. Second Row: Bob Shirley, Danny Souza, Edward Borges, Frank Garcia, Billy Overstreet, Sidney Levin, Ronald Braman, Manager. Third Row: Buddy Welch, Jack Golston, Levern Butler, Dennis Smith, Al Nunez, John Patterson, Ronald Iacono. Fourth Row: Clarence Booker, Ronald Archer, Richard Rogers, Melvin Correia, Wesley Yearly, Vincent Mark.

B-CLASS BASKETBALL

Paced by Senior Larry Van Etten and Freshman Floyd Gross, the T.U.H.S. Papooses won fifteen games and lost six, for a most successful basketball season. Van Etten scored 214 points and Gross 207 out of the 904 total for the team.

Very much in the running for the Southern Yosemite division title until next to their last game, the Papooses found Delano an unsurmountable obstacle. League record was nine wins, and three losses. Only other Yosemite defeat was at the hands of Bakersfield, 38 to 36, but the return contest saw the Papooses on top 57 to 34.

Dinuba, Porterville, Arvin, East Bakersfield, and Taft were toppled twice each. Splits were gained with Visalia as well as Bakersfield; Exeter, Reedley, and Lindsay were defeated once.

Early in the season, the Papooses led Edison by nine points with only two minutes to play, then saw the margin melt away in a series of sensational shots, finally losing 54 to 56.

Front Row: Fred Ford, Mooney Young, Malcolm Jameson, Joe Souza, Henry Vasquez. Second Row: Larry Van Etten, Floyd Gross, Jon Peterson, Don Boesch, Dick Reed, Bill Eubanks. Third Row: Coach Joe Lanning, Jay Jackson, James Shepherd, Rodney Fries.

Front Row: Howard Reed, Don Forrester, Robert Walker, Levern Butler, Jimmy Barnes, Gregory Brott, Ralph Campbell. Second Row: Manager Julius Jackson, Alfred Nunez, Don Bonwell, Buster Patterson, Bill Schneider, Gary Welton, Coach Carroll Stowell. Third Row: Joe Souza, Dennis Smith, Bob Tait, Henry Peralta, Jerry Searcy, Walter Emkin, Eddie Woods.

C-CLASS BASKETBALL

With a record turn out of seventy-three boys for C Class basketball, Coach Carroll Stowell fashioned a team that got off to a fast start. They won four out of their first six games and then the axe fell. When the smoke cleared the season was over with a record of seven wins and fourteen losses. Eleven of the losses were league games with the only league win coming against the usually potent Bakersfield Bits. Eight other games were lost by five points or less. The only discouraging thing about this season was the record because the squad continued to work hard and every team that beat them knew they had been in a real scrap before the evening was over.

Tulare High will see and hear a lot more of these boys before their careers are finished as there were only two Sophs to push such potential Frosh greats as John Patterson, Al Nunez, Bill Schneider, Don Bonwell and Co-Captains Gary Welton and Gregory Brott.

Another feature of this season was the C class reserve team coached by Art Williams until he contracted polio. This was the first such team ever organized at Tulare and with a season record of nine wins and three losses, should help Coach Stowell in his campaign for league honors next year.

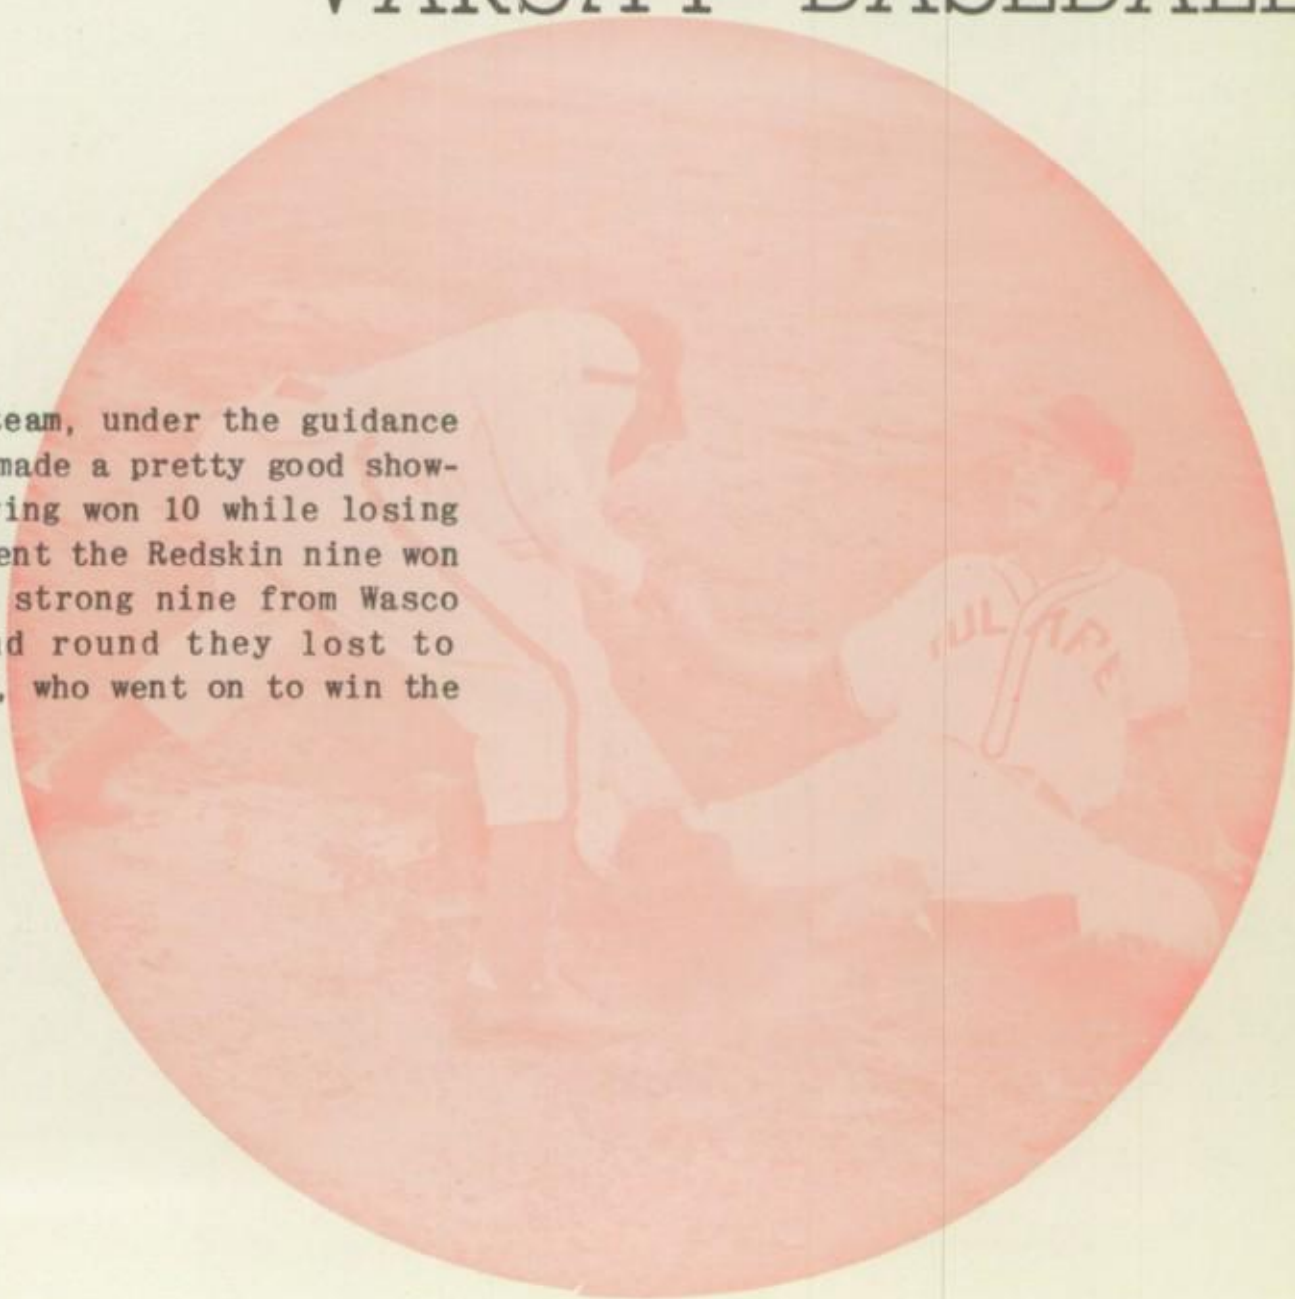

Front Row: Ronald Wyllie, Bob Atamian, Bennie Renniker, Kirby Wyllie, Richard Bugg, Tom Morris.
 Second Row: Frank Galli, Don Boesch, John Odenbaugh, Ronnie Mount, Don Westerling, Coach Morrelli.

VARSITY BASEBALL

This years baseball team, under the guidance of Coach Herb Morrelli, made a pretty good showing so far this year having won 10 while losing 8. In the Delano Tournament the Redskin nine won their first game over a strong nine from Wasco and then in the second round they lost to Roosevelt High of Fresno, who went on to win the Tournament.

YANNIGANS

This year the Yannigans, under the leadership of Coach Carroll Stowell, have had a good season. This team is made up of underclassmen, some of whom are Sophomores, will be the future members of the varsity nine. WRESTLING TEAM

The Wrestling Team of 1953 has completed a very successful season. Although this is only the second year for wrestling at Tulare High School, the team finished in second place in the Northern Yosemite League standings. They were competing against teams in the League such as Madera, Hanford, Fresno High, Roosevelt of Fresno, with Roosevelt winning the league championship. They competed in the Northern Yosemite League because of lack of competition in our own league.

In league and out they have lost every meet. This is due partly to the lack of participants in the B and C class.

TENNIS

This year's team, under the guidance of Coach Windell Jones, has had a good season considering that most of them are playing tennis for the first time. MISS THELMA ELLIOTT

To some girls, "Girls' Athletic Association" means nothing; but to some girls who give up their time after school, this extra-curricular activity means just as much as football, basketball, baseball, track, or swimming means to the boys. These girls know that G.A.A. is a lot of hard work, and fun, but it teaches them to get along with others.

G.A.A. was very successful this year, and a great deal of the success was attributed to the help of the four gym teachers, Thelma Elliott, Kay Sullivan, Marion Weinberg and Kaliope Candianides.

The council took a new project on this year, and that was the job of making denim bags to be used to transport gym clothes to and from school. This project worked out well and the bags were colorful.

The annual G.A.A.-Letterman playnight was one of the highlights of the year, and the girls collaborated with the Key Club in the clean-up campaign.

The Advanced Dance Group, under the direction of Miss Kaliopé Candianides, met every day during seventh period. The group has been lauded as one of the best in the valley. They presented, by request, two out of town programs, one in Lemoore and one in Avenal. Their annual Spring Dance Concert was a gala affair with the entire twenty-three members participating. The numbers liked by the audience and noted by the newspaper were: "Stormy Weather" which consisted of six senior girls; "Snow White and the Seven Dwarfs," "Apartment Wanted" which was an unusual percussion number, and the finale, "Western Rhapsody." The dancers were accompanied by the high school orchestra, directed by Gordon E. Lowe, and Eugene Jones accompanied a suite of folk tunes.

ADVANCED DANCE

BEGINNING DANCE

Again as in the past there were so many girls interested in dance that two beginning groups were organized. The group which met on Wednesday after school was directed by Miss Kaliopé Candianides, and the group which met on Thursday after school was sponsored by Miss Marion Weinberg. The chief objective of the year was the Spring Dance Concert, and the two groups presented the first two numbers on the program. Most of these girls will progress to the Advanced Dance group for the next three years.

The speedball season was topped off with an ice-cream and cookie social in the girls' gym, and it was reported that every one out for the sport had a good time, and that speedball was one of the best sports of the year.

Lorraine Shaw acted as Bowling manager this year, and also turned in a top performance as the season's highest bowler. The bowlers were aided by Pete Lokey, the manager of the local alley; and Betty Hays, a league bowler, demonstrated correct bowling form. Thelma Elliott was sponsor.

SWIMMING

Under the able guidance and sponsorship of Kay Sullivan, the Girls' Swim Team had a very successful season. Although it was cool when the girls first reported, the weather soon turned warm, and the girls had an enjoyable time.

The team participated in various meets during the season. Marlene Price was outstanding in the crawl, and Carole Hamilton in the back crawl.

Although the team had no one who could qualify in the diving part of the meets, they expect to have someone ready for the coming years.
